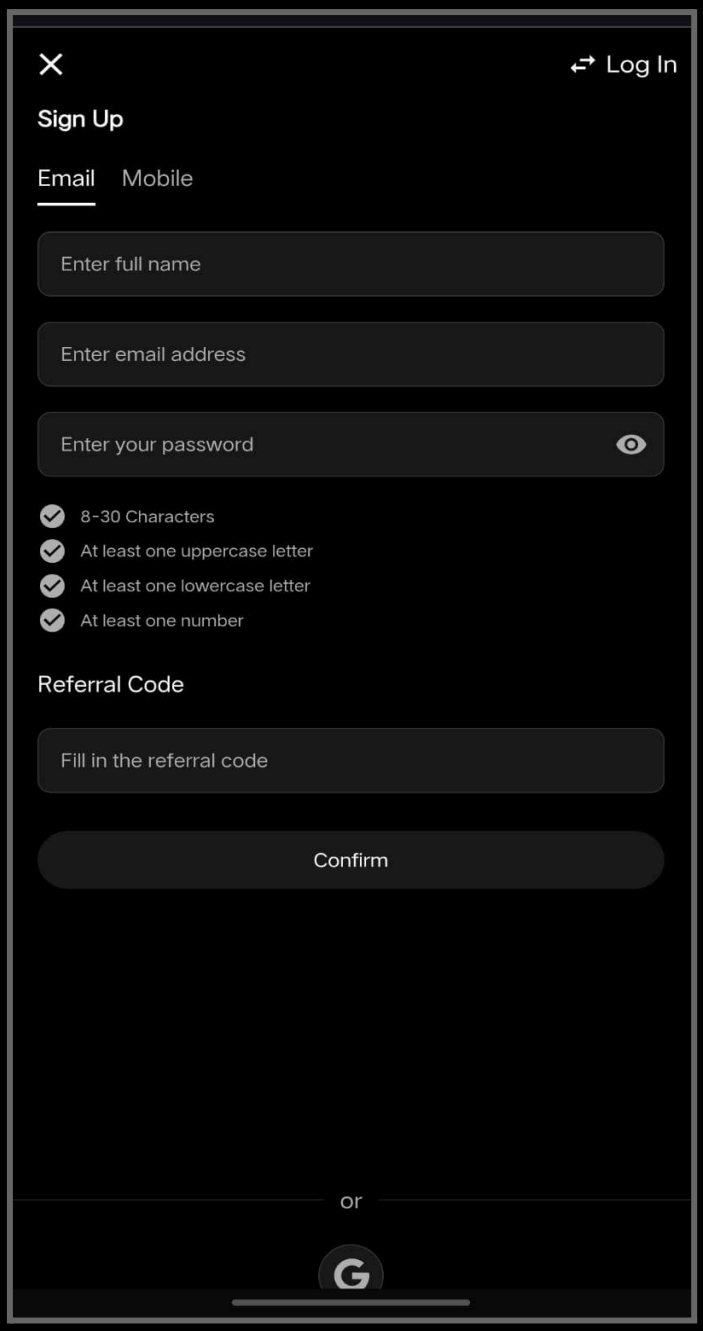
BT Beginner's Guide BT Exchange

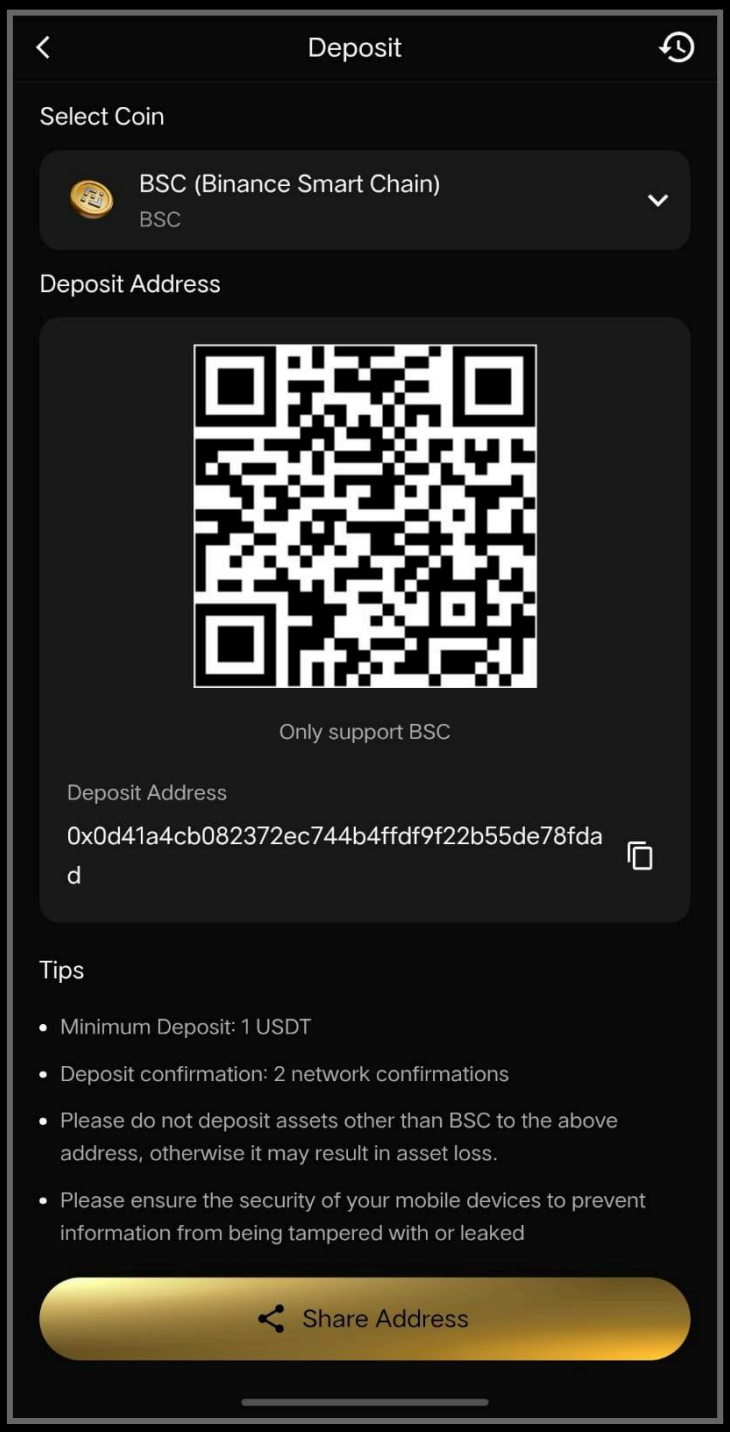
How to Register with Email



1. Open the official website.
2. Click on Register.
3. Select Email Register or switch to the Email option.
4. Enter your Email Address.
5. Create a strong Password (minimum 8 characters with capital letters, small letters, and numbers).
6. Check your email for a verification code (if required) and enter it.
7. Click Register to complete the process.

Done! You can now log in using your email and password.

How to Deposit (USDT – BEP20 / Polygon)



1. Login to your account
2. Go to Wallet
3. Click Deposit
4. Select USDT
5. Choose network: BEP20 or Polygon
6. Copy the deposit address
7. Send USDT from your wallet using the same network
8. Confirm the transaction

Funds will be credited after network confirmation.
Make sure you select the correct network to avoid loss of funds.

How to Trade on the Trade Zone (BT Exchange)

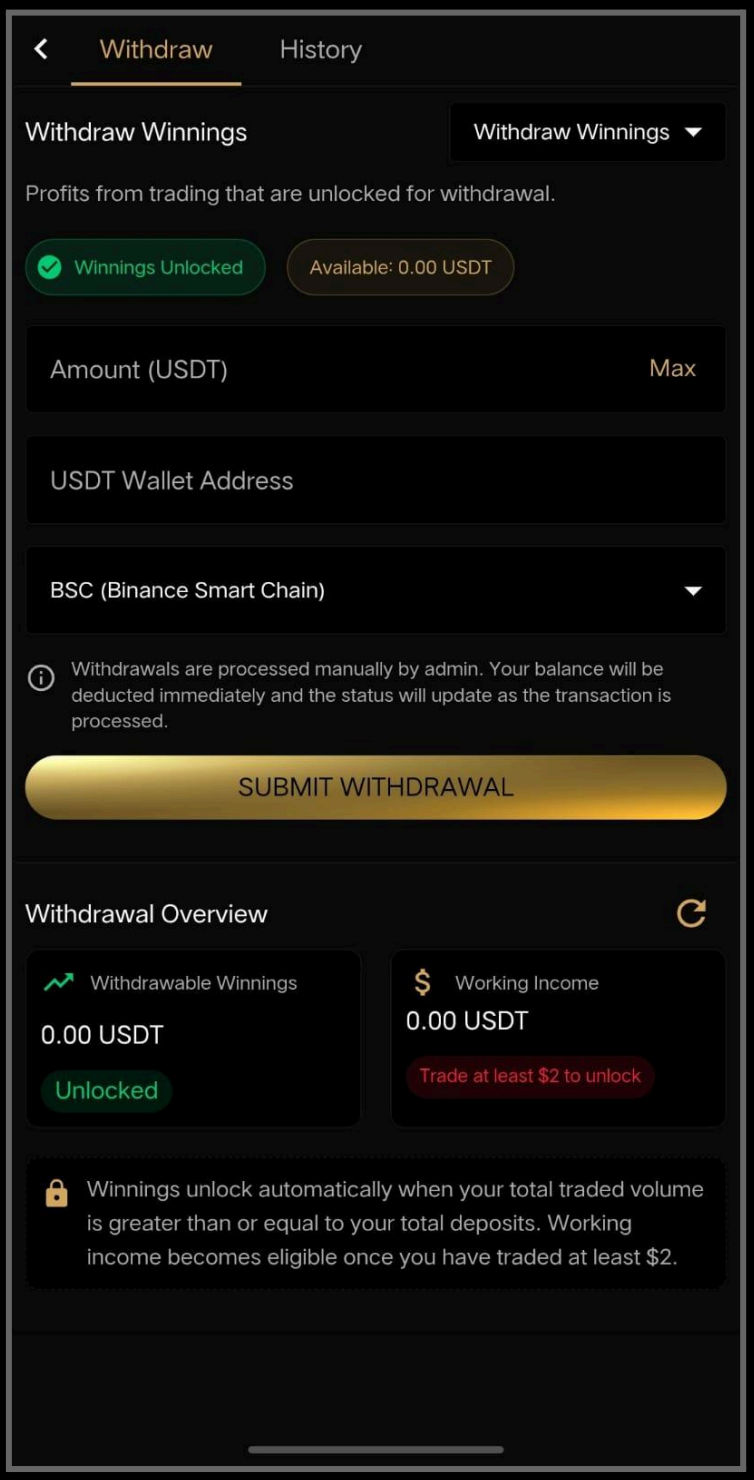
- Enter the Trade Zone
- Select duration (30s, 1min, 3min, 5min, 10min)

Direction Rules:

- Up – Predict market will go higher
- Down – Predict market will go lower
- Enter your amount
- Select Up or Down
- Confirm before timer ends
- Wait for result

Successful prediction can give up to 100% return on your trade amount.

How to Withdraw (USDT – BEP20 / Polygon)



- Login to your account
- Go to Wallet
- Click Withdraw
- Select USDT
- Choose network: BEP20 or Polygon
- Enter your USDT wallet address
- Enter withdrawal amount
- Confirm the request

After network processing, funds will be sent to your wallet.
Make sure the wallet address and network are correct.
Wrong network selection may result in permanent loss of funds.
